Details of the pre-application advice received

A previous planning application Ref: 76856/APP/2021/4177 was granted approval on 14th January 2022 for the conversion of rear conservatory roof to flat roof, glazed porch infill, erection of first floor rear extension and conversion of roofscape to habitable use to include a rear dormer.

The planning approval was not implemented and has now lapsed.

This revised application is for a similar development at the property.

The conversion of the rear conservatory roof to flat roof, glazed porch infill and conversion of roofscape to habitable use to include a rear dormer are all similar to the previously approved scheme.

The erection of a first floor rear extension has been amended to now extend across the full width of the property.

London Borough of Hillingdon Policy DMHD 1: Alterations and Extensions to Residential Dwellings of the Local Plan Part 2 - Development Management Policies states that two storey extensions should not extend into an area provided by a 45-degree line of sight drawn from the centre of the nearest ground or first floor habitable room window of an adjacent property and should not contain windows or other openings that overlook other houses at a distance of less than 21 metres.

Drawing 1159-15 provided as part of this application confirms that the new first floor rear extension shall not extend into an area provided by a 45-degree line of sight drawn from the neighbouring property at No. 14 Blisworth Close.

The policy also states that full width two storey rear extensions are not considered acceptable in designated areas or as extensions to Listed Buildings or Locally Listed Buildings. The application property is not located in a designated area, a Listed Building nor a Locally Listed Building and therefore the proposed full width extension complies with this guideline.

The proposed small section of crown roof on the rear extension will not be visible from the public realm or street and therefore should be considered acceptable, as was the previous smaller section of crown on the approved design.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes
 No

 No

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
