Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Alterations to fenestration to front including replacing of existing middle bay window with a residential double door for safer and convenient access by a disabled child/person.

(Application for a Certificate of Lawful Development for a Proposed Development)

The current access to the property is from the side alley and is shared by the neighbour living at 58 Pinkwell Avenue Hayes UB31NQ, which is not very spacious or convenient nor it is very safe and convenient for our disabled son who is susceptible to running into other people by mistake and falling down accidentally due to his mental condition. Therefore, we are requesting to allow access through the front bay window by removing the current middle window by a double door which will be an independent, spacious, convenient and safer access for him.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Has the proposal been started?

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

This is in order to make the usage of new access as legally permanent for use by a disabled child/person.
