Loft Floor Plan

Scale 1:50

- The materials used in any exterior work (other than materials used in the construction of a conservatory) shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.

- Any side facing windows will be obscurely glazed and non-opening unless the parts of the window which can be opened are more than 1.7m above the floor of the room in which the window is installed.

- Rooflights will not protrude more than 150mm.

Notes
• Any discrepancy between drawings and specification to be referred to the Surveyors.
• Scaled Dimensions should not be used.
• All drawings are to be read in conjunction with the Engineer's details & any anomalies are to be reported to the Contract Administrator.
