

Do not scale. These drawings represent the design of the building and are not to be used for construction. All dimensions must be checked by a contractor/third party prior to commencement. Any dimensions in brackets are approximate and should be used as a guide only. All dimensions are in millimetres unless otherwise stated. All works are to be carried out in accordance with the relevant building regulations and must not be copied or transmitted without our prior written consent. No part of this drawing is to be used for any other purpose without our prior written consent. Works should not commence before a Planning Building Control approval has been obtained. The client is responsible for obtaining all necessary permissions and approvals. The architect is not responsible for any alterations or additions to the drawings after the date of completion of the drawings. All drawings are the property of the architect and are not to be used for any other purpose without our prior written consent.
