Please refer to conditions of drawing use:

1. This drawing, the design and the contents contained herein are copyright ©, all rights reserved. No part hereof may be copied or reproduced in whole or in part, whether by photocopy or otherwise, without the written consent of the copyright owners, Simon Beale + Associates.
2. This drawing is to be relied upon only for the purpose for which it was prepared. This drawing is not to be relied upon for construction purposes and no liability is accepted by the author in respect of any errors or omissions in the drawing or any advice given in respect of the drawing or for construction purposes unless the drawing is stated to be for construction.
3. The use or reliance upon this drawing shall be deemed to be an acceptance of the conditions of use unless otherwise agreed in writing. Such written agreement is to be sought from and issued by the Author prior to reliance upon the drawing.
4. References to National Standards, whether in standards (BS, British Standard) or other, or Building Regulations, shall be deemed to refer to the latest edition of the standard or regulations at the date of issue of this drawing, notwithstanding and reference to the contrary to or an earlier prepared. This drawing is not to be relied upon for construction purposes and no liability is accepted by the author in respect of any errors or omissions in the drawing or any advice given in respect of the drawing or for construction purposes unless the drawing is stated to be for construction.
5. Proprietary items shall be fixed in strict accordance with manufacturer's instructions.
6. Contractors, whether main contractors or sub-contractors, must visit the site and are responsible for taking and checking any and all dimensions and levels and for any other necessary measurements for the drawing.
7. All Contractors, whether main contractors or sub-contractors, must visit the site and are responsible for taking and checking any and all dimensions and levels and for any other necessary measurements for the drawing.
8. Where this drawing contains discrepancies in relation to other relevant documents, such discrepancies shall be brought to the attention of the author who shall issue a written instruction.
9. Do not scale off this drawing. Figured metric dimensions only should be taken off the drawing. Imprecise measurements, if shown, are for illustration purposes only.
10. All information shown relating to existing structures and construction is preliminary and subject to 'Opening up' and confirmation by the Contractor/Sub-contractor. Any discrepancies are to be referred to the Author.
11. Contractors/Sub-contractor is responsible for procuring any property item required/specification with due attention to lead in times ensuring delivery to site.
12. Site or proprietary items shall be checked with the manufacturer and checked for compliance with design detail.
13. The client is granted a copyright © licence to use this drawing in its entirety for the purpose for which the drawing has been prepared. If this drawing has been prepared for construction purposes the licence is limited to the period of the construction project and the drawing may not be reproduced or stored in any medium for any other purpose.
14. Use of this drawing is subject to the payment of a fee in full and in any event the licence cannot be assigned without the prior written consent of Simon Beale + Associates.
