This architectural floor plan illustrates a building layout with several rooms and an external alley. The plan includes the following features:

- Rooms:** The building contains several rectangular rooms, some with internal partitions. A room on the left side is labeled "Alley Way".
- Staircases:** There are two sets of stairs: one on the left side and another on the right side.
- Doors:** Several doors are indicated by arrows pointing into the rooms.
- Labels:** The label "C.L." is placed at the end of red dashed lines extending from the top and bottom edges of the building's footprint. The label "Alley Way" is placed next to the entrance on the left.
- Symbol:** A small square symbol containing the letters "SL" is located in the center-right room.

-C_i

An architectural floor plan showing a building with a red dashed line indicating a section cut. The building features a central entrance with a double door, flanked by two windows. To the left, there is a room labeled 'Alley Way' with a single window. The right side of the building has a large, multi-story section with a brick pattern. A red dashed line runs horizontally through the center of the building, with a vertical extension on the right side, indicating the plane of a cross-section. The plan also includes a small sketch of a person at the bottom center.

Scale: 1:100

This architectural cross-section diagram illustrates the elevation of a house, highlighting its structural features and surrounding landscape. The house features a brick wall on the left side, a central section with a diagonal roofline, and a tiled roof on the right. The diagram is annotated with labels: 'Front Garden' is positioned above the brick wall, and 'Rear Garden' is located below the house's rear elevation. The rear garden area includes a series of horizontal lines representing a lawn or garden bed.

Existing West Elevation

Scale: 1:100

This architectural cross-section diagram illustrates the elevation of a house, showing its various components and surrounding areas. The house features a brick wall on the left, a central section with a diagonal roofline, and a tiled roof on the right. The diagram is labeled with 'Front Garden' at the top left and 'Rear Garden' at the bottom left. The rear garden is further divided into three sections, each with a small vertical line. The entire diagram is enclosed in a rectangular border.
