Description of Proposed Works

Please describe the proposed works

The client wishes to extend the rear of the property out by 4m, the same width as existing - 5.8m, single storey. Flat roof with roof lantern. She would also like to extend the existing garage out at the rear of the building by 2.55m and level the garage roof. Currently the roof slopes from the ridge at the front down to roughly head height at the back. She would like to raise the garage roof so it is level from the ridge to the back. She will have a utility room in the garage area. There are no changes planned at the front of the building. A drain in the back garden will need to be moved as it will be covered by the proposed work. She will move it to another location in her property at the rear.

Has the work already been started without consent?
