## Description of Proposed Works

Please describe the proposed works

To build annex on 70 Barnhill road, in the rear garden, envisioning it as habitable space. This additional structure acting as to expand the living area of the property but also provide a versatile and multifunctional area that can serve various purposes. The annex is thoughtfully designed to blend harmoniously with the surrounding garden. Adding natural light to flood the space, fostering a connection with the outdoors. Inside, to incorporate a comfortable and habitable space. The design has prioritized both the aesthetics of the surroundings and functionality, ensuring that the annex becomes a space that it integrates with the existing building context while offering the necessary amenities for a comfortable living experience.
