

Any dimensions shown should be checked on site and discrepancies reported to the Architect prior to construction. Designs are not coordinated with engineer projects. Do not scale for construction purposes.

Block Plans are scaled from the Ordnance Survey Location Maps. Please see the licence number for the Os Maps in the Location Plans

A scale bar with a circular arrow icon at the left end. The bar is marked with numerical values 0, 5, 10, 15, and 20. Below the bar, the text "Scale Bar 1:500" is written, and at the right end, the letters "M." are present.
