Address: RAF Station Northolt, West End Road, Ruislip, HA4 6NG

Regulation 8, The Electronic Communications Code (Conditions and Restrictions) Regulations 2003 (as amended)

Proposed Development at: Hercies Road, Hillingdon, Uxbridge, UB10 9LQ

National Grid Reference: 506774, 184407 Cell Ref: CTIL_307973 00

In accordance with the above regulations, where a proposed development consists of the installation, alteration or replacement of a mast that results in the material increase in height within 3 kilometres of the perimeter of an aerodrome* and where the development does not require either full planning permission or prior approval, the developer shall notify the aerodrome operator, as appropriate.

I give notice that Waldon Telecom on behalf of Cornerstone and Vodafone will be notifying The London Borough of Hillingdon under the above regulations of it's intention to carry out the following works :

The proposed installation comprises a 20m monopole supporting 6no. antennas, 1no. 300mm dish, 2no. cabinets and 1no. meter cabinet, and ancillary works thereto. This site and design have been selected as they provide the technical requirements whilst keeping environmental and visual impact to a minimum.

Please refer to enclosed drawing(s) reference: 100, 200, 201, 300 & 301 (Rev B)

I would be grateful to receive any comments that you may have no later than 14 days from the date of this letter.

Any comments received from you within this period will be considered by us.

Yours faithfully,

Ben,

Having reviewed the location, I can confirm it does not infringe RAF Northolt's protected airspace or radio equipment safeguarded areas.

Kind Regards
