Best Practice Safeguarding Area Notice

Proposed Development at: Northwood Way SW, Northwood, Hillingdon, London, HA6 1RU (NGR: 510157, 190945)

National Grid Reference: 510157, 190945

Cell Ref: CTIL_307874_00

In accordance with best practice principles, where a proposed development consists of the installation, alteration or replacement of a mast that results in the material increase in height within a relevant Aerodrome / CAA / Met Office / Secretary of State for Defence Safeguarding Area Map and where the development does not require either full planning permission nor prior approval, the developer shall notify the Civil Aviation Authority, the Secretary of State for Defence, Met Office or the aerodrome operator, as appropriate.

I give notice that Waldon Telecom Ltd on behalf of Cornerstone and Vodafone Ltd will be notifying Hillingdon London Borough Council under the above principles of it's intention to carry out the following works :

Full description of proposed development: The installation of a 20m monopole supporting 6no. antennas, 1no. 300mm dish, 2no. cabinets and 1no. meter cabinet, and ancillary works thereto. This site and design have been selected as they provide the technical requirements whilst keeping environmental and visual impact to a minimum.

Please refer to enclosed drawing(s) reference: 100, 200, 201, 300 , 301 (REV A)

I would be grateful to receive any comments that you may have no later than 14 days from the date of this letter.

Any comments received from you within this period will be considered by us.

Yours faithfully,

Charles Dunsby
