CCTV in Hillingdon

Our closed circuit television (CCTV) service is designed to make Hillingdon a safer place to live, work and visit.

Our operators work in partnership with the local police, community and businesses to help in the fight against crime and anti-social behaviour in the borough.

Map of our CCTV cameras

Zoom in and out of our map, or use the search box, to view locations of CCTV cameras in the borough.

Shops and businesses

When planning the installation of a CCTV system, the first step is to identify and define the problem - for example, a security threat, a public safety issue or any number of other vulnerabilities.

Visit GOV.uk for [information on setting up and using CCTV cameras](#).

Private cameras

The law regarding private individuals or businesses using CCTV is complex. Making sure that all CCTV systems collect,
