

Boundary fence

Boundary fence

Existing rear extension

No. 54

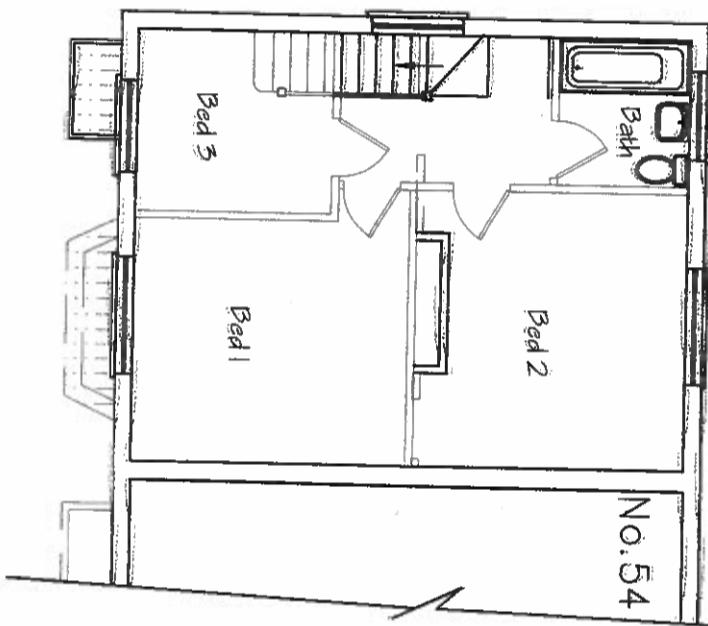

Ground floor plan existing 1:100

NOTES:

All dimensions and levels are to be verified on site, any discrepancies, omissions, to be reported to client before works commences. All works are to be carried out only after LA planning permission and on approval under the building regulations are obtained. Take adequate care when excavating as service runs or drains are located in the area. Any such runs to be repositioned or protected. All to the satisfaction of the relevant service board and LA
