Dear Mr R Mahajan

Re: Licensing of Houses In Multiple Occupation
Address: : 20 Greatfields Drive Uxbridge UB8 3QN

I refer to your recent application to license the above House in Multiple Occupation.

We have calculated your fee taking into account any eligible discounts and this is set out in the attached demand. Once this has been paid we will issue your HMO license, which will run for a period of five years

Please note that any variation of your details must be notified to this section immediately and that any increase in the occupation of the premises is a contravention of the license unless the Council give prior approval to any such change.

I thank you for your co-operation in these matters.

Yours Sincerely

Dear Mr R Mahajan

RE: HMO License
Address: 20 Greatfields Drive Uxbridge UB8 3QN

Please find enclosed your HMO License for the above property. This license sets out the number of households and occupants you may have in the property, when the license is valid from and the duration of the license.

You should display the license in a prominent position within the property at all times and under no circumstances should you exceed the occupancy levels specified on the license.

If at any point you carry out improvements to the property and wish to increase the occupancy levels you should contact us in order for us to re-assess your HMO and re-issue an amended license.

Yours sincerely
