Your vote matters. Don't lose it.

Dear Natasha Morland

I'm writing to let you know that your recent application to be added to the electoral register was successful.

You will be added to the Register on 4 May 2021, unless there is an election called before then, in which case you will be added to the register in time to be able to vote at that election. Your elector number is UG1-271/1

~~If you have supplied us with your previous address and informed us that you are no longer resident there for electoral purposes, your entry on the electoral register for that address will be removed.~~

You won't need to register again unless your entitlement to be registered changes. You should let us know if you do not intend to be resident at this address, or if you move house.

For more details on electoral registration and how voting works please go to [gov.uk/voting-in-the-uk](https://www.gov.uk/voting-in-the-uk)

Yours sincerely
