Re: Vehicle Crossover New

Dear Mr Catalin Danu

Thank you for your enquiry regarding cost of constructing a vehicle crossing to serve premises at:

**276 WHITBY ROAD  
RUISLIP  
HA4 9DZ**

A tarmac crossover comprising 5 dropped kerb with 2 x 0.9m tapers has been approved and will be installed as marked on the pavement. Please take note of the Approval Cover Letter.

Please take particular notice of point numbers 3 to 8 of the Approval Cover Letter.

- 3 Permeable material and/ drainage requirements
- 5 Eco channel requirements
- 6 25% soft landscaping requirements
- 7 Front boundary treatment requirements
- 8 Photographic evidence of completed driveway requirements

For carrying out the work of constructing a vehicle crossing to the same level as the adjoining footway, see attached plan.

Cost of Crossover Construction : £1869.81

This quotation will remain valid for ninety days from the above date.

PLEASE NOTE: If the property to be served by the crossing has an existing drive or hard standing and this has been built to a level, which is higher or lower than that of the existing footway, no adjustment can be made to the height of the crossing. It will be the responsibility of the applicant to make necessary adjustments within the curtilage of the property.

If you are satisfied with the contents of this letter and wish to proceed with the construction please complete the acceptance form and return this with ticking the box for an online

payment link to be sent, or alternatively attach a cheque made payable to the London Borough of Hillingdon with the acceptance form.

Yours faithfully

Bharat Patel

House No. \_\_\_\_\_ (if different from above)  
Address: \_\_\_\_\_  
Post Code \_\_\_\_\_

Your driveway must comply with the conditions of the approval cover letter and the photo of the completed works to be sent to Bharat Patel Email - [bpatel@hillington.gov.uk](mailto:bpatel@hillington.gov.uk) for approval, before the crossover works are be constructed.

**The fence, wall or hedge must be removed only up to the extent of the proposed crossover and you must ensure the land is level and a suitable hard standing is in place before can be carried out.**

**Statement of acceptance**

I / We accept the quotation provided by the Highways Delivery Team for the construction of a Domestic Vehicle Crossing as per the supplied plan/sketch.

I / We understand that no part of the vehicle parked within the property may project onto or over the public footway/highway or block the main entrance of the property. These conditions will be brought to the attention of the new owner/occupant.

**Please check carefully that you are happy with the size and position of the crossing before accepting the quotation.**

**Alterations after the acceptance may cause delays and additional costs.**

**Please send completed signed acceptance letter to the below.**
