Here's your water bill

We've estimated that you used
1,000 litres from 15 Nov 2021 to
Jan 2022

That's around **403 litres** of water every day –
enough to fill more than **5 bathtubs**.

Your bill is based on estimated
readings.

We do our best to take a real reading next time, to
ensure your bills are accurate.
