## Product details

### Product information

Instead of locking your bikes in your garage or house, keep them in a bike shed. If you own more than one bike, keeping them all in one shed can save a lot of space in your interior while protecting them from the weather. What's more, our sheds have lockable doors for safe storage of your expensive bikes. Its strong steel construction also makes it a durable choice for those cycling enthusiasts.

### Features and benefits

This bike storage was used of weather-resistant steel construction. The sloping top prevents snow and water build up. It can keeps trash cans/bikes organized.
