Use class

C4

Description of the existing use, building works or activity for which a certificate is sought

The property is in use as a Class C4 House in Multiple Occupation (HMO) comprising six individual lettable rooms occupied by unrelated residents who share communal kitchen and circulation facilities. The use was fully established and actively occupied prior to the Article 4 Direction coming into force on 11 December 2025, as evidenced by statutory declarations, tenancy agreements, operational invoices, management statements, bank records and written confirmation from the Council's Planning Enforcement Officer following site inspections on 9 July 2025 and 1 September 2025.

Grounds for Certificate

Under what grounds is the certificate being sought

Where the use, building works or activity began before 25 April 2024

- ☐ The use began more than 10 years ago
- ☐ The breach of a condition occurred more than 10 years ago
- ☐ The use began within 10 years ago but there has been no permission for the change of use and no enforcement action has been taken
- ☐ The building works were substantially completed more than 4 years ago
- ☐ Other

Where the use, building works or activity began on or after 25 April 2024

- ☐ The use, building works or activity began more than 10 years before the date of this application.
- ☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years.
- ☒ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Other grounds details

The change of use from Class C3 to Class C4 did not constitute development requiring planning permission prior to the Article 4 Direction coming into force on 11th December 2025. The property was already in active C4 use before that date, and therefore the existing use is lawful under Section 191 of the Town and Country Planning Act 1990.

Does this application relate to the failure to comply with a condition or limitation on a planning permission?

- ☐ Yes
- ☒ No

Why the use, operations or activity described in this application is lawful and why a certificate should be granted

The use of the property as a Class C4 House in Multiple Occupation is lawful because it was fully established and actively occupied prior to the Article 4 Direction removing permitted development rights for C3↔C4 changes on 11th December 2025. The evidence demonstrates actual residential occupation by six unrelated individuals during inspections carried out by the Council’s Planning Enforcement Officer on 9 July 2025 and 1 September 2025. This is corroborated by sworn statutory declarations from both the property owner and managing agent, six Assured Shorthold Tenancy Agreements with start dates prior to the cut-off, Skyview Management landlord statements, operational invoices, and Virgin Money bank statements showing rent and management payments for 37 Edgar Road. The Local Planning Authority holds no contrary evidence, and on the balance of probabilities the existing C4 use is lawful under Section 191 of the Town and Country Planning Act 1990.
