Description of Proposed Works

Please describe the proposed works

Within the boundary of our front yard, we replaced some shrubs with fully permeable paving blocks which allow rainwater to drain naturally, ensuring no issues with waterlogging or drainage. Our intention is to enhance appearance and ease of maintenance of the front garden, as well as to allow for placement of planters.

There are strict parking restrictions on Josiah Drive and hence this section can also serve as occasional parking space for our visitors.

The officer advised that many other houses on Josiah Drive and adjacent Truesdales had similar issues. His view was that the outcome of planning application for 1 Josiah Drive (with very similar circumstances) will determine how other such applications are treated.

He also suggested getting the application submitted showing the existing surface.
