The image displays three architectural drawings of a proposed house elevation, separated by vertical dashed lines. The drawings are labeled with circled numbers 46, 44, and 42.

- Drawing 46 (Left):** A side elevation showing a gabled roof with a dashed line indicating the "RAISED RIDGE OF No.46". The roof has two small rectangular windows. The ground floor features a large double door and a multi-paned window.
- Drawing 44 (Middle):** The "PROPOSED FRONT ELEVATION" of a two-story house. The roof is gabled and tiled, with a dashed line indicating the "RIDGE LINE & HIP TO GABLE ENDS TO MATCH EXACTLY THOSE OF No.46". The roof slope is labeled "PROPOSED FRONT ROOFLIGHTS WOULD NOT PROJECT MORE THAN 15CM FROM THE PLANE OF THE FRONT ROOF SLOPE". The roof is labeled "ROOF TILED TO MATCH EXISTING". The ground floor has a central double door flanked by windows, and a large multi-paned window on the left. The upper floor has four small rectangular windows.
- Drawing 42 (Right):** A rear elevation showing a gabled roof with a dashed line indicating the ridge. The roof has two small rectangular windows. The ground floor features a large double door and a multi-paned window.
