## addition.

The Addition bike store is a heavy-duty, all-metal bike shed providing secure outdoor storage of up to 3\* adult cycles and all of your cycling equipment. Built from tough galvanneal steel, this storage unit offers excellent bike security and is an ideal secure store for all of your high value mountain bikes and road bikes. To keep your bikes safe and dry, the Addition bike store features a

pick-and-drill resistant, 3-point locking system, an integral full metal floor and a vented roof. Packed with innovative features the Addition bike store has an integral rain guard to keep the strongest wind and rain out, along with large double door access for easy loading and unloading of your valuable bikes.
