Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The proposal is for the construction of a single-storey car port extension with a mono-pitched (shed) roof adjacent to the existing garage. The works include the installation of a structural steel beam supported by a steel/post column, together with associated foundations and new walling where shown on the approved drawings. No new vehicular access, roads, hardstanding, or change of use is proposed. The works will be carried out in accordance with the submitted plans.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Has the proposal been started?

- ☒ Yes
- ☐ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The site comprises an existing single dwelling house (Use Class C3) with an existing detached garage/carport within its residential curtilage. The existing buildings and their use are lawful and form part of the established residential use of the property. The proposed works relate to alterations and an extension to the existing garage/car port within the residential curtilage and will remain incidental to the enjoyment of the dwellinghouse.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

The application is supported by the following documents:

Existing and proposed plans
Existing and proposed elevations
Roof plans
Site location plan
Block plan (if submitted)

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed development comprises the erection of a permanent car port with a mono-pitched roof supported by structural steelwork and a column within the residential curtilage of an existing dwellinghouse. The development is considered to constitute permitted development under Schedule 2, Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), as it complies with the relevant limitations and conditions. The proposed car port will remain incidental to the enjoyment of the dwellinghouse and no change of use is proposed.

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
