

# CYCLING STORAGE

The cycle storage structure can readily be accommodated within the rear garden and completely screened from public view by existing high boundary wall and vegetation.

The structure can be accessed via the front / side curtilage, or via a gate on the rear boundary.

## DRAWING NOTES

Written dimensions to be taken in preference to scaled dimensions. The Contractor is responsible for checking all dimensions before work starts.

All work is to be carried out to the requirements, and to the satisfaction of the Local Authority. These drawings are for planning purposes only.

Any discrepancies to be brought to the attention of 4D Planning Consultants immediately.
