Description

Please describe details of the proposed development or works including any change of use

There is no change of the E Use Class (Commercial, Business and Service) for the premises, formerly a bank and there are no former restrictive conditions attached.

The intended use, still under E Use Class system, will be for a family orientated restaurant operation (known as the Farm Restaurant and Bar - FRB), with an associated kitchen extraction installation. This revised submission includes a kitchen extraction system, alongside an updated noise and odour report.

The FRB will serve a continental style cuisine with various meat and vegetarian options in the menu, to patrons from the locality such as residents and businesses.

The premises comprises a basement, ground and first floors areas. The basement will be used for storing dry products and secured storage of beverages.

The ground floor will be the main seated area for guests, consisting of a (i) disabled access toilet/baby changing facility, (ii) commercial modern kitchen, (iii) separate washing up room and (iv) a separate preparation room/refrigeration area. The kitchen will have a canopy above the kitchen cooking line, directly connected to the extraction kitchen system outside the rear of the premises (Please refer to architects drawings)

The first floor will be another seated area for guests, mainly to be used as an overflow during busy periods. On the first floor there will also be a secured office, staff changing facilities and female/male toilets.

The unit where the FRB will operate has been on the rental market for 2 years approximately since the last tenant, Barclays Bank PLC vacated. The site was advertised to let by 2 estate agents: Chamberlain Commercial and VDBM Chartered Surveyors.

The Farm Restaurant and Bar Ltd negotiated a 25yr long-term lease via Chamberlain Estate Agents who no longer have the site advertised on their website. However, below is an old link from VDBM Chartered Surveyors who had advertised the site:
