

The drawing shows a symmetrical building facade. The central part features a main entrance with a pediment supported by two columns. On either side of this central entrance are windows. Below the main facade, there are two smaller, identical entrances, each framed by a pair of columns. The drawing is a black and white line art illustration.

Architectural section drawing of a building facade, showing a symmetrical design with a central entrance and side wings. The drawing includes labels for 'Entrada', 'Salón', 'Comedor', and 'Cocina'.
