

View from northwest (back left)

View from northeast (back right)

A 3D architectural rendering of a large, two-story house. The house features a red brick facade with a patterned brickwork design on the left side. The roof is a dark reddish-brown color with multiple gables and dormer windows. A large, square chimney is located on the left side of the roofline. The windows are white with multiple panes. The overall style is a blend of traditional and modern architectural elements.

View from southwest (front left)

A 3D architectural rendering of a large, two-story brick house. The house features a red-tiled mansard roof with multiple gables and dormer windows. A prominent brick chimney is located on the right side. The exterior is made of dark red brick with light-colored stone or brickwork accents around the windows and doors. The house has a classic, traditional design with a focus on symmetry and detailed stonework.
